### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance: The prior art does not provide for an interior lining component for a vehicle roof comprising at least one decorative layer forming a facing of the interior lining component, an intermediate layer covered by said decorative layer, a reinforcing mat, and at least one support layer adapted to be disposed proximate the vehicle roof, characterized in that the support layer comprises a lower and upper foam panel having different porosities that are interconnected by pressing and the reinforcing mat is arranged on the upper foam panel facing away from the lower foam panel.

Additionally, the prior art does not provide for an inside roof lining for a vehicle, the roof lining comprising:

- at least one decorative layer forming a facing of the roof lining;

- an intermediate layer covered by the decorative layer, the intermediate layer including a cushioning layer;

- a first reinforcing mat disposed above the intermediate layer, the reinforcing mat comprising fibers;

- a support layer disposed above the first reinforcing layer, the support layer including a lower foam panel, an upper foam panel and an adhesive layer disposed between the foam panels for interconnecting the foam panels together, each foam layer comprising polyurethane; and

- a second reinforcing mat disposed above the support layer, the second reinforcing mat comprising fibers.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
